## JOIN TEAM UNICEF: FUNDRAISING IDEAS

There are plenty of ways to support UNICEF at Halloween or all year round. Here are just a few ideas:

### At School

#### 1 HOLD A DARE TO WEAR PARTY!

Choose a fundraising goal for your school or class, then dare your principal, a co-worker, or take the dare on yourself, to dress up in a silly costume if your school/ class reaches the fundraising goal.

#### 2 WATER CHALLENGE!

For every water tap in your school, donate a loonie to help kids around the world.

#### 3 STUDENT CHALLENGE!

Challenge older grades to organize a fundraising activity for younger grades – maybe a haunted house or a soccer game.

#### 4 HOST A HALLOWEEN PARTY!

Halloween parties are so much fun! Ask students to bring a donation to participate in the party.

#### 5 HOST A PUMPKIN DECORATING CONTEST!

Have students decorate pumpkins in a central location for other classes to see, displaying a collection box next to each pumpkin. Have students and teachers vote for their favourite design by donating to that pumpkin's box. The pumpkin that raises the most wins!

### At Home

#### 1 BE A GOOD NEIGHBOUR!

Offer to do household chores for your neighbours in exchange for donations to UNICEF.

#### 2 GIVE SOMETHING UP!

Donate the money you would spend on snacks and treats in one week to UNICEF.

### Celebrate!

At the end of your fundraiser, don't forget to say **thank you** to everyone who helped out, participated and donated!
