

What Impact You Can Have

UNICEF works in over 150 countries and territories helping children survive and thrive, from early childhood through adolescence. The following are an example of what impact the money you fundraise can have on children.

\$40 can help us provide Oral Rehydration Salts to 400 children in times of emergencies

\$53 can help us provide Water Sanitation Kits for three families.

\$110 can help us support a child who has been orphaned by AIDS

\$480 can help us provide Polio Vaccines for 2,280 children

\$602 can help us provide for a Water Pump

\$2,400 can help us provide for a Midwifery Kit
