Can you colour in the correct missing puzzle piece?

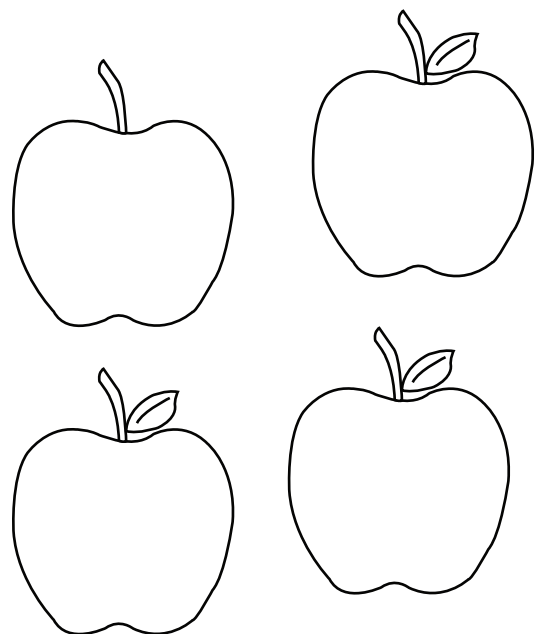

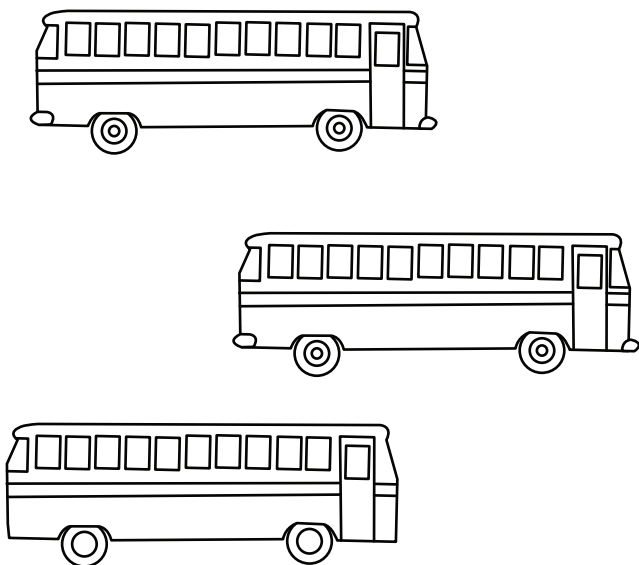

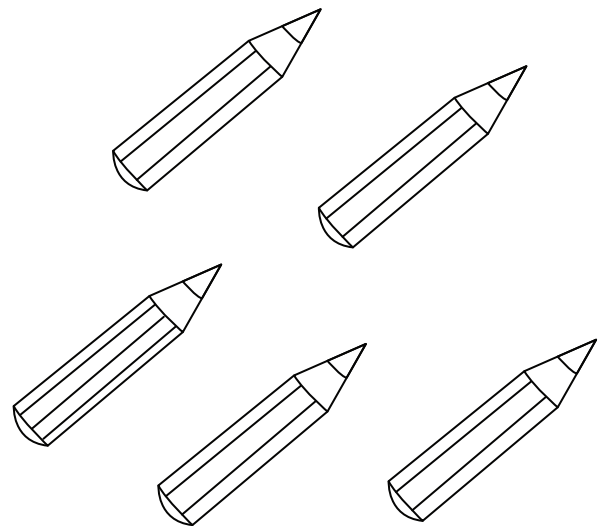

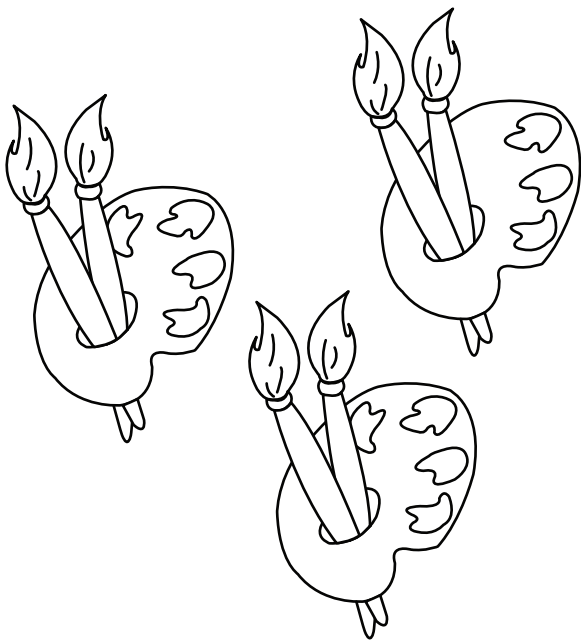

Choose the correct shadow
for the item.

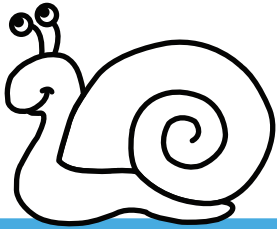

Can you find all the teachers
apples around the classroom
and colour them in?

Take a good look, find the item that does not belong in the group.

Let's explore!

Find items around you, starting with the given letter and draw them inside the block.

Fun things to do!

Make Play Dough

What you need:

- Guidance from an adult
- 1 Cup of Flour
- 1/2 Cup of Salt
- 1/2 Cup of Water
- Extra water (if dough is too dry)
- Extra Flour (if dough is too sticky)
- Different food colourants

Lets start!

Add flour and salt in a mixing bowl. (Adult guidance)

Then slowly add the water and mix.

If dough is too dry, try adding more water.

If dough is too sticky add more flour.

Then use your hands and kneed the dough.

Separate the dough and then add food colourant to make different colourful play dough.

Tip: Why not use your new play dough to create any of the items you recently drew.

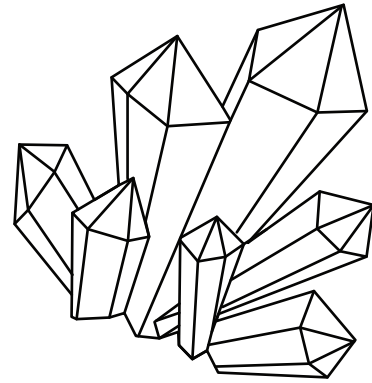

Fun things to do!

Grow Sugar Crystals

What you need:

- Guidance from an adult
- 3 cups sugar
- 1 cup boiling water
- food coloring (optional)
- flavouring (optional — strawberry, mint, and vanilla)
- clean glass or plastic jar
- wooden skewer or cotton string

Lets start!

Dissolve the sugar in the boiling water.(Adult guidance)

Add a few drops of food coloring and flavor.

Allow the sugar water to cool a bit before pouring it into your jar.

Place a wooden skewer into the jar or hang a string into the middle of the jar, tied to a pencil.

Cover the jar with a paper towel to allow evaporation.

Place the jar somewhere safe.

It may take a few days to get your crystal to grow.

You will soon see crystals form, if you leave them, these crystals will grow onto your stick or string.

Once grown, you can then eat your Rock Candy or Sugar Crystals.
