

A Career Opportunity

UNICEF is the world's farthest-reaching humanitarian organization for children. Across 190 countries and territories, and in the world's toughest places, we work day in and day out to help children survive. To defend their rights. To keep them protected, healthy and educated. To give them a fair chance to fulfil their potential. Our work for every child relies entirely on voluntary support, including donations from generous Canadians.

Manager, Prospect Research (maternity leave cover)

(17-month contract; Full-time; based in Toronto)

Reporting to the Director, Development (Donor Relations), the Manager, Prospect Research plays a key role in creating and implementing the strategy, systems and processes related to prospect research, pipeline development and moves management in support of UNICEF Canada's fundraising initiatives and revenue targets.

Working in partnership with UNICEF Canada's Corporate and Major Donor teams, the Chief Development Officer and Executive office, this role facilitates the management, coordination, administration, and delivery of information, supporting their ability to identify, solicit, cultivate and steward prospects, donors and senior volunteers.

The responsibilities of the position will include:

Research Strategy & Systems (25%)

- In collaboration with the Director, Donor Relations builds the necessary research & pipeline development strategy, systems architecture and related metrics to support the Development team's pipeline and new revenue goals.
- Develops and manages a system to promote moves management of donors with increased giving potential, coordinating with the relevant teams to ensure an effective process for identification, cultivation and tracking.
- Acts as project manager and conduit for the development team, helping to define their needs related to research, pool and pipeline development, system requirements, capabilities and reporting, collaborating with the Business Solutions team to implement the necessary business rules and system solutions and onboarding of relevant team members.
- Conducts regular analysis of prospect research activities to determine ROI and effectiveness in meeting the defined goals.

UNICEF Canada is one of 220 charities in Canada accredited by Imagine Canada for excellence in nonprofit accountability, transparency and governance.

EMPLOYER
PARTNER
