

Child Rights Impact Assessment: Issues and Challenges

Carmel Corrigan
Ireland

Development and Implementation of Child Impact Statements Challenges and Issues

- A focus on the development of templates: advantages and risk
- To legislate or not to legislate?
- Yet another form of proofing?
- Resources, resources, resources: expertise, staff, time and data

Development and Implementation of Child Impact Statements Challenges and Issues

- The question of who
- The question of when
- A lack of proven effectiveness
